

**Bureau of Industry & Security
BIS Export Regulations Course
August 11-12, 2010
Los Angeles, CA**

This two-day program is led by BIS's professional counseling staff and provides an in-depth examination of the Export Administration Regulations (EAR). The program will cover the information exporters need to know to comply with U.S. export control requirements on commercial goods.

The workshop will explain:

- The scope of the Export Administration Regulations.
- How to determine the export licensing requirements for your product.
- When you may export without applying for a license.
- What an Export Management Compliance Program ("EMCP") is, and how it can help meet your regulatory responsibilities.
- What the Enhanced Proliferation Control Initiative is, and how it affects you.
